DESIGN OF WORK CONTRACTS IN NOTARY / PPAT ANALIS WIDA DELIMA PANDJAITAN, S.H., M.Kn. IN BATAM CITY

T. DITHA JAUZA
NPM: 1651079

ABSTRACT

This practical work is done with the purpose to give insight about the importance of a work contract to be physically written, to design an employment contract draft, and in the end produced an employment contract between the notary and the employees working at the Notary/PPAT Office Analis Wida Delima Pandjaitan, S.H., M.kn which in it details the rights and obligations of each parties. This employment contract is also legally binding and can be used as a reference by the parties in case of a dispute in the future.

This project is done from 10th June 2019 to 15th September 2019, with observation method and interview to the Notary/PPAT party and the employee party.

This legal contact drafting is done based on the agreement between the Notary/PPAT and the employees while keep remembering the terms of the Labour Law and article 1320 of Private Law Bible.

Key words: labour, contract planning, Notary/PPAT
