

EXECUTIVE SUMMARY

LEGAL PROTECTION EFFORTS ON COMPANY LIMITED (PT) TIGER TRANS INTERNATIONAL IN THE PROBLEM OF TIME WORK CONTRACTS CERTAIN WHERE EMPLOYEES DO NOT IMPLEMENT THE CONTENTS OF THE AGREEMENT

Farrah

NPM : 1551111

This practical work aims to find out and analyze and improve the contents of the agreement on the issue of certain time contract work in the Tiger Trans International Limited Liability Company (PT) based on law number 13 of 2003 concerning employment.

The method of implementation in practical work is divided into 3 stages. At the initial stage is to prepare for practical work in the company. In the next stage, observation and identification of the main issues will be carried out by collecting data to be analyzed. After analyzing, a certain time contract will be designed in the Tiger Trans International Limited Liability Company (PT). The author makes a project output design based on the practice and conditions of the workplace practice. At the final stage, the author will make a report on Job Training.

The results of this Job Training show that certain time contract work agreements in the Limited Liability Company (PT) Tiger Trans International are not in accordance with law number 13 of 2003 concerning employment. Thus, in the project output, the author made a few changes to the existing time contract of employment agreement. This is aimed at perfecting agreements that have actually been carried out based on Law Number 13 of 2003 concerning Labor. The project output that the author makes is the stage that takes place at the location of the Job Training
