Reviewer A:

The article **Measuring Intangible Asset: Firm Reputation** examines a pressing issue. The introduction of the article lacks a description of the purpose, tasks and research methods of the article. It is recommended to describe the research methodology in detail. Add to the list of literature at least 10 sources that are from 2017-2021 and whose database is in the Scopus or Web of science databases. It is recommended that the article be printed after minor corrections.

Recommendation: Accept Submission
